7) Finally click on print order sheet – select the printer based on the yellow code on any printers available in ED (e.g. E-ED-P08, E-ED-R06, E-ED-R08 are for the printers next to triaging nurses) **REMEMBER NOT TO PUT PATIENT LABELS ON THE BOXES WHERE THE SAMPLES ARE IN. JUST PUT THE PATIENT LABELS ON THE SLIDES OR SWAB TUBES OR CULTURE PLATES.**
